TAKING ACTION IS TAKING THE FIRST STEP.

A resilient sheet flooring designed for active environments, Motivva Sports and Multipurpose Flooring performs in interior settings that inspire, motivate and drive movement. From multipurpose community use to sport-focused facilities, Motivva excels in durability, stability, and visual strength.

With high performance activities in mind, Motivva offers various thickness options including 8MM Competition and 6.5MM Versa which feature a Class 2 shock absorption rating in accordance with the ASTM F2772 standard, as well as 4.5MM Multi and 2MM Strongside for multipurpose use.

IDEAL USE & APPLICATIONS

With a range of thickness options to select from, Motivva is ideal for multipurpose and sports-focused applications including:

- General and Multipurpose Use
- Recreation Centers and Gymnasiums
- Sports and Athletic Courts including Basketball and Volleyball
- Hospital and Rehabilitation Facilities
- Fitness, Yoga and Personal Training Studios
- Dance and Movement

Featured Product:
Wood, Oak

WHY MOTIVVA PERFORMS

With performance and safety in mind, Motivva’s fiberglass reinforced heterogenous vinyl sheet construction is available in varying thickness options to provide proper cushion underneath to suit the environment and to provide overall comfort. Motivva is phthalate-free and with a polyurethane coating, no wax or stripping is required, clean-up is easy and eliminates the need for chemical-based cleaning and maintenance.

THICKNESS OPTIONS

Versatile by design, Motivva Sports and Multipurpose Flooring is available in four thickness options to suit the performance level of various active environments. Whether you select Wood, Stained Wood or Solid, each design is available in:

8MM Competition | 6.5MM Versa | 4.5MM Multi | 2MM Strongside

Meets Class 2 standards in accordance with ASTM F2772

Mix and Match

Motivva Stained Wood in Blue pairs effortlessly with Wood Maple for a unique court design. Mix, match and play with our Motivva patterns and colors to create a space that drives movement.

Featured Product:

Wood Stained Maple - Blue with Wood Maple

CONSTRUCTION

High Performance Coating

- A polyurethane coating provides excellent resistance to dirt build-up while providing a surface that is non-absorbent and easy to clean

Wear Layer

- For superior durability and resistance to everyday scuffs and scratches

Reinforced Fiberglass Inner Layer

- Excellent dimensional stability

Closed Cell Foam Backing

- Excellent shock-resistance
- Superior stability, no shifting underfoot
- Good energy return for extended activities

FEATURES

Comfort and Safety

- A cushion layer provides optimal comfort and well-being for various activities
- ≥ 10% shock absorption with 8MM Competition and 6.5MM Versa

Environmental and Healthy Choice

- Anti-bacterial surface treatment
- Low VOC and no heavy metal
- 100% recyclable

Durability Meets Function

- Excellent resistance to rolling loads and indentation
- Easy to maintain, low maintenance cost
- Superior stability, no shifting underfoot

SPORT FEATURES

Motivva 8MM Competition and 6.5MM Versa are Class 2 rated meeting ASTM F2772 standards for indoor sports and multipurpose use. For testing results, see Technical Specifications.

Shock Absorption

≥ 10%

Ball Bounce

Min. of 90%

Vertical Deformation

< 3.5mm

Sliding Effect

80-110 BVP

From the classic look of wood tones to a vibrant spectrum of colors, Motiiva is available in three design options:

- Wood
- Stained Wood
- Solid

Each design option is available in a variety of thicknesses:

- **8MM** Competition
- **6.5MM** Versa
- **4.5MM** Multi
- **2MM** Strongside
