SELECT LUXURY VINYL PLANK & TILE

The Select Luxury Vinyl Plank & Tile collection brings together the designs that define TAJ— an essential collection of our most trusted wood and non-wood visuals, refined through years of commercial applications.

The collection spans classic wood plank designs alongside stone, concrete, metal, and textural designs, offering a reliable palette for cohesive flooring plans and transitions. Unified by a 3mm luxury vinyl construction, Select delivers consistency in performance while allowing flexibility in aesthetic direction.

Built with a high-molecular-weight vinyl wear layer and reinforced by a durable vinyl backing, each product is finished with a Protech Plus® ceramic bead-infused UV-cured urethane coating technology that delivers up to 2x the scratch resistance of typical urethane finishes. This protective surface resists soil and chemicals, supports hygiene, and eliminates the need for applied floor finishes simplifying maintenance over the life of the floor.

Select is a working library of TAJ's best—designs chosen not for a moment, but for longevity.

FEATURES & BENEFITS

-  **commercial warranty**
-  **coordinating collections**
-  **comfort & safety**
-  **easy care**
-  **protech+ wear layer finish**

PLASTER

Capturing the understated character of plastered surfaces with soft movement and subtle tonal variation. The palette moves through warm neutrals and balanced grays, offering depth without visual noise. Designed to read calm and continuous across large areas, these plaster visuals provide a refined backdrop for modern commercial interiors.

SIZE: 17.75" x 35.50" TILES

TAJ-2603G Roma

TAJ-2604G Milano

TAJ-2605G Palermo

TAJ-2604G MILANO

TONAL LINEAR

Tonal Linear blends the structure of stone with the subtle rhythm of woven textile in a refined plank format. Fine linear movement creates soft directional flow and understated depth, delivering a modern surface with a clean, versatile texture.

SIZE: 6" x 36" PLANKS

TAJ-8006H Mayer

TAJ-8007H Strait

TAJ-8006H MAYER

TRAVERTINE

Travertine, a flowing stone grain and layered tonal movement. Subtle directional variation creates a sense of motion across the surface, while neutral hues keep the look grounded and versatile.

SIZE: 12" x 24" TILES

TAJ-804W Strata Crème

TAJ-805W Strata Graphite

TAJ-812W Tidal Wave

TAJ-805W STRATA GRAPHITE

INTERPLANETARY

A woven-inspired pattern with linear movement expressed in a distinctive plank format. The directional texture introduces rhythm and structure, while the colorways offer a balanced range from warm to cool neutrals.

SIZE: 7" x 48" PLANKS

TAJ-753F Mercury

TAJ-754F Earth

TAJ-755F Jupiter

TAJ-755F JUPITER

SMOOTH CONCRETE

A smooth concrete aesthetic with minimal variation and a refined, modern finish. Offered in a large tile format, these visuals create a sense of openness and continuity across commercial spaces. Room visual, as seen on page 3.

SIZE: 36" x 36" TILES

NVL-2401 Gunmetal

NVL-2402 Pewter

STAINED CONCRETE

Layered coloration and organic tonal variation inspired by aged, treated surfaces. The result is a time-worn, industrial look that brings depth and visual interest to modern commercial interiors.

SIZE: 17.72" x 35.43" TILES

TAJ-501G Oil Stained

TAJ-502G Rust Patina

TAJ-501G OIL STAINED

ALCHEMY

Alchemy captures the layered character of patinated metal through rich color, subtle oxidation, and controlled surface movement.

SIZE: 17.72" x 35.43" TILES

TECHNICAL DATA

Select Luxury Vinyl Plank & Tile products are manufactured with a high-molecular-weight, polymerized vinyl wear layer supported by a high-strength vinyl backing. Incorporated into the wear surface during manufacturing, Select tiles and planks are built with Protech Plus®, a ceramic bead-infused UV-cured urethane coating technology that delivers up to 2x the scratch resistance of typical urethane finishes. This advanced protective layer provides anti-soil performance, eliminates the need for applied floor finishes, and enhances hygiene and chemical resistance.

PRODUCT DETAILS

Overall Thickness	3MM
Wear Layer Thickness	20MIL (0.5MM)
Wear Layer & Finish	High Molecular Weight Polymerized Vinyl with Protech Plus® Ceramic Bead-Infused UV-cured Polyurethane
Warranty	20 Year Commercial
Edge Detail	Square Edge (no bevel)

ASTM TESTING RESULTS

Classification	ASTM F1700 Class III Type B (embossed)
ASTM E648 Fire Assistance	Class 1 > 0.45
ASTM E662 Smoke Density	< 450, Flaming/Non-Flaming
ASTM F970 Static Load	Passes at 1,100 psi, Residual Compression Maximum 0.005"
ASTM C1028-89 Slip Resistance	> 0.6 per ADA
ASTM F925 Chemical & Stain Resistance	Excellent; no surface dulling, surface attack, or color change with 5% acetic acid, 70% isopropyl alcohol, mineral spirits, 5% sodium hydroxide, 5% hydrochloric acid, 5% ammonia, bleach, 5% phenol, gasoline, sulfuric acid, kerosene, and olive oil.
VOC Emission	Negligible
FloorScore® Certified	Yes
LEED	Low Emitting Adhesives IEQ4.1, Low Emitting Coatings IEQ4.2, Low Emitting Material
Recycled Content	Series TAJ*, NVF, NVH, NVL, WAF: 39% post-consumer, 33% postindustrial *TAJ-9122, 9123, 9124, 9125, 2701H 8006H, 8007H: 100% virgin material, phthalate-free (no recycled content) Contact us for more information regarding recycled content and details on Health and Environmental Product Declarations.

Installation: Apply with recommended adhesive referenced in the full technical specification.

Maintenance: Requires no wax, no stripping, no buffing or the use of toxic chemicals.

Manufacturing Plant Certifications: ISO 14001, ISO 9001

Trade Agreements Act (TAA) Compliant

MIX & MATCH COLLECTIONS

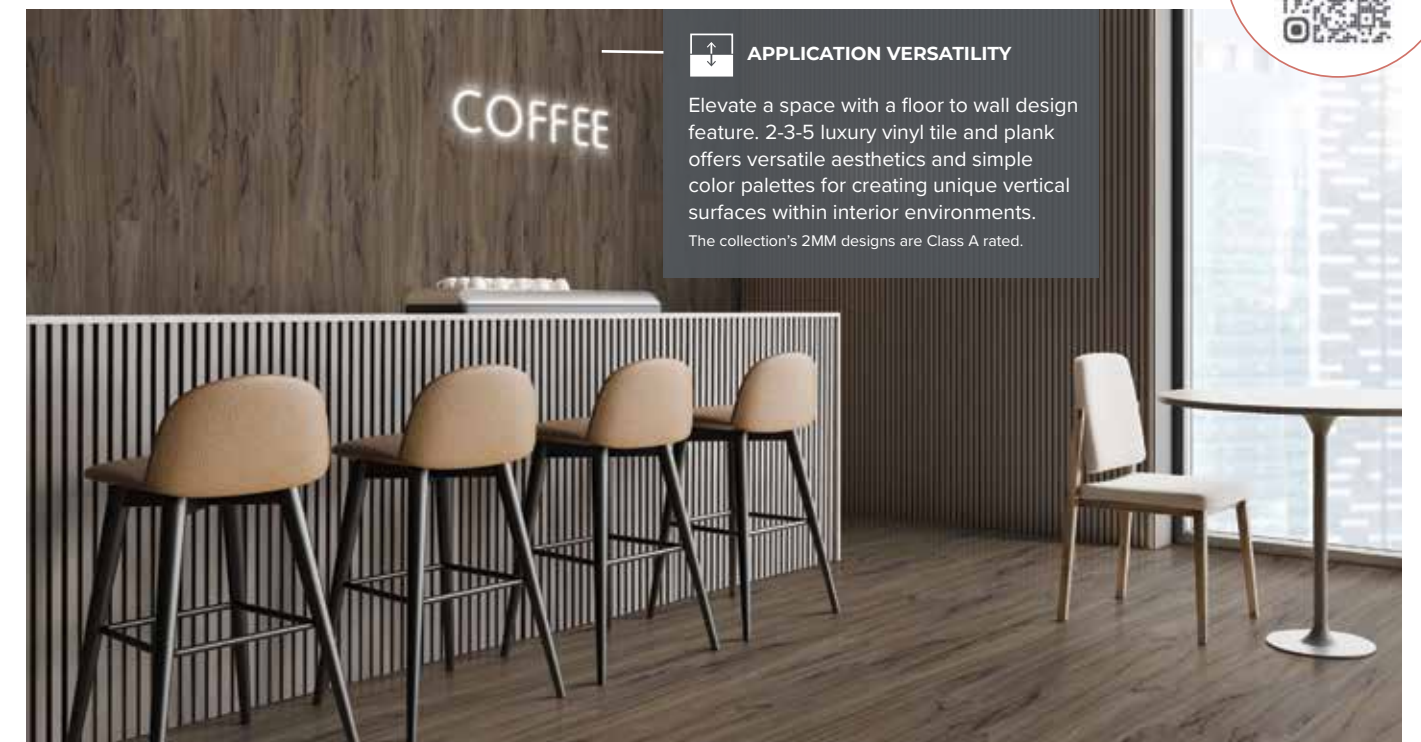

With hundreds of designs across TAJ's portfolio, Select can be seamlessly paired with the 2-3-5 Luxury Vinyl Plank & Tile collection. Sharing a 3mm format, 2-3-5 offers a range of wood and stone visuals that coordinate easily with Select, expanding design flexibility while maintaining consistent thickness and performance. Together, these collections support cohesive transitions between spaces or thoughtfully mixed materials within a single environment.

2-3-5 LUXURY VINYL PLANK & TILE

Available in 2MM, 3MM and 5MM thicknesses, the **2-3-5 Luxury Vinyl Plank & Tile** collection features innovated modern visuals that embrace the elements of our natural surroundings.
